Biography

Dominick Quartuccio is an executive coach, keynote speaker, author, trainer and facilitator.

He spent 15 years (June 2001-Feb 2016) in sales and sales leadership, all with Prudential Retirement.

Dominick helps successful (and incredibly busy) people take command of their habits - time, energy, focus and execution - so they can raise their performance in business and life.

He specializes in high-stress environments such as sales, financial services, small businesses and emerging startups.

Through his signature program, Take Command of Your Habits, he guides individuals and teams to achieve extraordinary results in 90 day periods of time.

Dominick is an energetic, passionate and innovative thought leader who is driven by guiding others to achieve the best version of themselves.

Dominick has delivered training programs for Prudential Retirement, Prudential Life Insurance, T. Rowe Price, LPL, Sageview, Paychex and Symmetry Investment Partners.

He also does private coaching for representatives of Wells Fargo, JP Morgan, National Financial Partners, S&P Financial, Intuitive Medical and Zimmer Biomet NY.
